- Collaborated on software engineering projects, focusing on design, development, and testing.

PROFILE

I am Betsinat Amare, an ambitious and passionate Software Engineering student at Addis Ababa Institute of Technology (AAIT). Eager to learn and adapt in the fast-paced tech sector, I thrive on embracing challenges and taking risks to advance my skills. With a strong foundation in software development, I am committed to making meaningful contributions to innovative projects and driving positive change in the industry.

EDUCATION

Excel Academy, Grade 9-12

Adama, Ethiopia

Oct, 2018 - Nov, 2022

During my high school journey, I consistently excelled academically, ranking in the top 10 of my class and achieving an excellent ESSLCE score of 526. My strong work ethic and dedication to my studies contributed to my success. I also built strong relationships with peers, fostering collaboration, and embraced a creative mindset in group projects, offering innovative ideas that enhanced our collective efforts.

Addis Ababa University, Software Engineering

Addis Ababa, Ethiopia

Feb, 2023 - Present

I am currently a third-year Software Engineering student at Addis Ababa University, maintaining a CGPA of 3.68. I actively participate in team projects, enhancing my collaborative skills and contributing to our collective success.
